

Ginegar Black and Silver Embossed Mulch Film

We import Embossed Mulch Films from Ginegar Plastic Products Limited Israel. It is also called cast mulch and feels like a silk fabric when you touch it. It fits better on the soil beds, does not leave much space between soil and mulch and hence reduces the change of hot air pocket built up in the summers. It is available in black/white and black/silver 25 microns thickness in 1 meters and 1.2 meters width.

Features:

- Weed control
- Earlier flowering
- Output increased
- Better fruit size
- Flower dropping controlled during rainfall
- Control in fungal diseases
- Fruit rotting by soil splashing during rainfall controlled
- Pest control by 25%
- Saving in water consumption
