

## Pond Liner

We are offering HDPE Pond Liners Fabric. This pond lining is made completely as per is- 15351: 2008 having very high strength values and UV stabilisation for long outdoor exposure. We are a valid licence holder (issued by Bureau of Indian Standards) and manufacturer for this item as per is- 15351: 2008. We are approved by BIS to manufacture pond lining in variety type 1 (250 grams per square meter minimum) and variety type 2 (420 grams per square meter minimum).

We can offer geo- membrane/ pond lining in fabric form on rolls in width of up to 300 cm. depending on geographical locations; we can also undertake lying of pond lining/ geo- membrane. Lying is joining panels of fabric to get desired dimension needed to cover the pond bed.
